

Ho stabdh hai, nishabd hai  
Bhayabheet aur vivash hai  
Kyun niraash aur nirupaay hai  
Bharatlyrics.com  
Jaane kis ki lagi ye haay hai

Ho..meluha jo hai amar, jahan somras raha baras  
Toh kyun maara maara hai  
Kis prakop se ye haara hai  
Meluha ki jo raah bana hai vayuputra vo  
Shapath se na apath ho vo jo vayuputra ho  
Shiv jo naga sang lada hai jo vayuputra ho  
Shapath se na apath ho vo jo vayuputra ho

Shaktiyaan saari jud gayi  
Dhara se nabh ko jod gayi  
Om namah shivaay....!

Kapat ka, klesh ka, dwesh ka hoga sarvanash  
Shakti ye ang hai  
Vishaal roop rang hai

Meluha ki jo raah bana hai vayuputra vo  
Shapath se na apath ho vo jo vayuputra ho  
Shiv jo naga sang lada hai jo vayuputra ho  
Shapath se na apath ho vo jo vayuputra ho

Ab satya ka hoga sangram  
Adharm ka hi hoga naash  
Megh nahi ab garjenge  
Ab astra hi kadkenge...

Sanhaar mein srijan ki aas..  
Dhimi dhimi dhimi dhwanan mrudanga thunga mangala  
Dhwani karma pravarthitha prachanda thandawa shiva

Oh..kaal jiske liye khada maanav hoga woh bada  
Maanav hoga woh khada, mahadev hai jis mein jagaa...

Meluha ki jo raah bana hai vayuputra vo  
Shapath se na apath ho vo jo vayuputra ho

Shiv jo naga sang lada hai jo vayuputra ho  
Shapath se na apath ho vo jo vayuputra ho.
