Come near pukaare

Kaisse sabhaloon
Kaise bachaaon
Kaisse sabhaloon
Kaise bachaaon

Picche pade hai sabhi hath dhoke

Joban mera atom bom hai
Dekhe kismein kitna dum hai
Joban mera atom bom hai
Dekhe kismein kitna dum hai

Haan fool bani hu pehle thi kalli
Aane ko ready sab meri gali
All india mein hai mere dewaane
All india mein hai mere dewaane

Koi seeti koi maare hai daaley
Mujh mein hi whisky aur rum hai..

Joban mera atom bom hai
Dekhe kismein kitna dum hai
Joban mera atom bom hai
Dekhe kismein kitna dum hai

Jabse aakhiyaan sharab ho gayi
Halki si ginya kharab ho gayi
Teri beauty ne mind divert kiya re
Ek raat ke liye bana le mujhe piyaa re
Bana le mujhe piyaa re..
