

Paari paari honthon pe na jaane kaise
Dhaani dhaani muskurahaton ke
Phool khilne lage, mann hi mann

Khaari khaari hatheliyon pe jaane kaise
Pyaari pyaari rangreliyon ki
Dhoop sajne lagi, tan badan
Hui main teri joganiya joganiya
Tu jogi teri joganiyan main joganiyan

Ab chaahe mohe rang lagaa
Piya ji mohe ang lagaa
Hui main teri joganiya joganiya
Tu jogi teri joganiyan main joganiyan

Jab se mili baahein teri
Mujh se mili raahein meri
Jab se mili baahein teri
Mujh se mili raahein meri

Chhat pe teri jaag ke
Mujh se mili subah meri
Ab chaahe tu raatein jalaa
Ab chaahe tu raatein bujhaa
Hui main teri joganiya joganiya
Tu jogi teri joganiya main joganiya

Neeme neeme nainon mein naa jaane kaise
Meethe meethe chaahaton ke
Chheente aaj padne lage, mann hi mann

Teele teele khwahishon ke jaale kaise
Neeli neeli baarishon ki boondein
Aaj tarne lage, tan badan
Hui main teri joganiya joganiya
Tu jogi teri joganiya main joganiya.
