

Tu keha hans, main hansda reha
Tu keha nach, main nachda reha

Tu keha hans, main hansda reha
Tu keha nach, main nachda reha
Tu kahe main tenu rounda changa lagda
Tere saamne angariyaan te machda reha

Tere teeraan jehe sapne, o poore kar kar ke
Khwaabaan meriyaan di khaali tarkash ho gayi

Saari umr main joker ja banya reha
Tere peeche eh zindagi circus ho gayi
Saari umr main joker ja banya reha
Tere peeche eh zindagi circus ho gayi

Kya khoob sikhaaya, wah mainu tu jeena
Zinda vi rehna te zehar vi peena

Kya khoob sikhaaya, wah mainu tu jeena
Zinda vi rehna te zehar vi peena

Dil te zakhm deke, mainu keha tu
Rona vi nahi te, zakhm bhi nahi seena

Ek saah lain magron, main do do hoke lawaan
Peeda meriyaan da vi taa'n bas ho gayi

Saari umr main joker ja banya reha
Tere peeche eh zindagi circus ho gayi
Saari umr main joker ja banya reha
Tere peeche eh zindagi circus ho gayi

Baddal, dharti, mere naal aalam roye saara
Jinni mohabbat karaan tenu,
Ohni hi nafrat kare tu yaaran
Jaani taanu yaad aau vichara

Haan ek din aaunga, mera vi vekhi tu
Jad rooh teri mere vas ho gayi

Saari umr main joker ja banya reha
Tere peeche eh zindagi circus ho gayi
Saari umr main joker ja banya reha
Tere peeche eh zindagi circus ho gayi.
