

Humse hai khushiya khushiya khushiya
Humse hai hasti hasti hasti
Jungle ke raja ham hai yaha,
Masti hai sasti sasti sasti

Hum jo chalte hai, chalta hai sara jahaan
Hum jo rukate hai, rukata hai aasma
Dilo ki duniya, banade chalte chalte
Satrangi sapne, saja de chalte chalte

Aaja re vanar bandhu,
Jungle tujhko pukare
Aaja re vanar bandhu,
Ye pal tujhko pukare
Jeele tu isko jee bhar,
Jeevan apana sawaare
Mill jaaye aapas mein sab,
Sargam yahi sunave

Apna mann changa changa changa
Dil bahati ganga ganga ganga
Ye tab tak hai pyare, jab tak na le
Koi panga panga panga
Hey dushman ki naliya
Hum tode haste haste
Apno ki bhoole hum chhode haste haste
Kiskindha apna jeevan se hamko pyara
Iska har vaar saare jag se hai nyaara
Aaja re vanar bandhu,
Jungle tujhko pukare
Aaja re vanar bandhu,
Yeh pal tujhko pukare
Jeele tu isko jee bhar
jeevan apna sawaare
Mill jaaye apas mein sab,
Sargam yahi sunave.
