

Just Chill Boss Song Lyrics

Hey disco babu
Disco babu disco babu
Nee disc lanni one by one
Vesko babu
Hukka babu hukka babu
Hukka babu
Ee thikkalanni dham by dham
Lakko babu

Idi top leni pub-u
Tricky neella beach hub-u
Climax leni night lo relax
Ayipodama

Idi roof leni roomu
Sankellu leni time-u
Biradalu leni bottle lo
Romance nimpeddama

Khalla khallas
Kadal badal ayiponi khallas
Just chill boss chill boss
Life ki malli life iddam chill boss

Oh konchem santhosham
Entho badha
Ee mix-e kada jeevitham
Konchem neekishtam
Ento danishtam
Re-mix kada fate-u kagitham

Style undi ice undi
Rendu kalisina glass-u undi
Em kavalo choice needera
Maikham undi mic-u undi
Nee gundello stock-u undi
Em cheddamo choice needera
