

I wanna see the stars write down  
And i know what kinda girl you are  
Still lovin' me and i love you babe

The way i see you at me  
Your eyes and lips all over me  
Just meet into my fantasies, of loving you

Soniye sun zara  
Soniye sun zara  
Sun zara soniye sun zara  
Aaj khamoshiyon se aa rahi hai sadaa  
Dhadkane hai deewani  
Dil bhi kuch keh raha hai

Sun zara..soniye sun zara  
Sun zara..soniye sun zara  
Our love is true and you should know  
I told the way say my name  
There tears i see, when you see me home  
The way i see you at me  
Your eyes and lip all over me  
Just meet into my fantasies of loving you

Soniye sun zara  
Sun zara soniye sun zara

Can't you hear my heart take for you  
For you i'm saving all my dreams  
For you i'm saving all my love  
For you i'll give everything i have  
I'm giving my you life and your heart

Soniye sun zara  
Soniye sun zara  
Sun zara soniye sun zara  
Aaj khamoshiyon se aa rahi hai sadaa  
Dhadkane hai deewani  
Dil bhi kuch keh raha hai

Sun zara...

Sun zara soniye sun zara  
Sun zara soniye sun zara  
Sun zara soniye sun zara  
Sun zara soniye sun zara.
