

K Million Lyrics

Dass kehra kamm kaddwada goriye
Kehre mantri naal main bitha da goriye
Oh bande fer kitthe saah te chadhde
Jinna naal singh je fasa laa goriye

Taur di kara main gal tor di nahi
Jigre di kara gal jor di nahhi
Saddi ta rakane ankh khadi rehndi ae
Leher di kara main gal lor di nahi

Gal mehnatan di kiti unluck di kiti aa
Mitran ne roti hale tak di kiti aa
Main gal karda bharoshe di kude
Te tu kude hale gal shaq di kiti aa

Shaq vi kadadange kaddawon joge haige
Bhakkhiyan kamaun te uddon joge haige
Ehnni k rakane saddi shuru ton bani aa
Andar vi gaye te kaddon joge haige

Ghumde ghumaundi game sadde hath aa gi
Main aggo palla naa fadavan goriye
Vairiyan da kamm hunda tappna rakane
Dass kehere palm te chadhawa goriye

Puri duniya da kude hale dil jitna
Mera dil jitna ae gal tu karke
Concert lagde si ohdo vi kude
Agge cooler de gaunda si ga muh karke

Titliye titli banayi firdi
Mere ghr de ni tattoo jaah pasand karde
Saaf saaf akhran ch keh dinna aa
Tokna tokona meinu band kar de

Fer naa kahi ni teri jaan niklu
Je dil aali nehr ta ghata laa goriye
Ehni k rakane sahi sahi karti
Kehdi dil karta bitha la goriye

Ni kandeyan te tureya ae sehera bare puche
Rabb ne kittiyan jo khairan bare pucche
Dil na mile main utthe wartan vi naa
Kehde gallo picche moode pairan baare puche

Aa jhakam rakane kade allhe ni chadde
Lorh pain utte yaar kalle ni chahdde
Badeya da dang assi saareya rakane
Kar ditte khali bhare galle ni chadde

Oo apne bande naa kade behnde vi nahi
Yaaran naal mehfilan sajaun wale aa
Botelan naal dass sadda ki banna
Druman de drum vi mukaun wale aa

Dass kehri gall di support mangdi
Kehri chij kittho main mangada goriye
Do seater milake caran chaar ho gaiya
Kehri gaddi vich main ghuma da goriye

Sadde baare puch laa ki hood kehndi aa
Kude assi jatt di zuban bane ni
Bappu bore de gale nu rehnda saaf karda
Khich ke vi rakheya kaman bade ni

Pata ohna nu jawab aggo tatte aune ne
Mattha kehra sadde naal laave goriye
Likhti je vekhne je takaton rakane
Kadd kadd chobbar sunave goriye

Ni tera sahi taa
