

Kaadhal En Kaviye Song Lyrics

Oho kadhal en kaviye
Nee en arugil vanthale
Ulagam yen iruluthu
Pagal iravai maaruthu
Valaivinil ellam valainthu
Tholainthu poven naane

Neeye venpaniye
Theeyin suvaiyum neeye
Unnai medhu medhuvaaga
Payanangal poga thodangidava

Manam oru ganam kodhikalan aaga
Thavarugal ini seri ena maara
Tholaivugalai tholaippom ondrai vaa

Manam oru ganam kodhikalan aaga
Thavarugal ini seri ena maara
Tholaivugalai tholaippom ondrai vaa

Un kaadhin oram naan
Varaiven kadhal kavithai
Thuduppaga maaruven
Un karaiyai thanduven

Adi ratchasiye koocham kaanalaye
Un maraivugalum muththam ketkirathe

Oru vedhiyal maatram ennile
Unai kandal yedho nadakkirathe
Un idaiyil oorvalam sella
En viralgai yeno thudikkirathe

Kadhal en kaviye
Nee en arugil vanthale
Ulagam yen iruluthu
Pagal iravai maaruthu
Valaivinil ellam valainthu
