

Kaagaz si hai zindagi
Bheegi toh samjho gayi
Bas chal de ik aur kadam
Khushiyan khadi hai yahi
Jo kho diya kho diya
Jo mil raha hai wo le..
Kal subhah phir honi hai
Kuch pal ki hi sham hai
Jeena isi ka naam
Jeena isi ka naam
Jeena isi ka naam hai

Jeena isi ka naam
Jeena isi ka naam
Jeena isi ka naam hai

Jeena oho..jeena oho..
Jeena oho..jeena oho..
Jeena isi ka naam hai

Ho..kadve se humke shehar ko
Sarbat ke jaise chada le
Roothi si is zindagi ko
Jaise bhi kar bas mana le

Kadve se humke shehar ko
Sarbat ke jaise chada le
Roothi si is zindagi ko
Jaise bhi kar bas mana le

Bigate nahi hote chehare
Duniya ke baazar mein
Hasne ki aadat to dalo..
Phir dekho kya daam hai

Jeena isi ka naam
Jeena isi ka naam
Jeena isi ka naam hai

Jeena isi ka naam
Jeena isi ka naam

Jeena isi ka naam hai

Har lamha sone ke jaisa

Yeh sach hai agar tumne mana

Google pe dhundega tujhko

Phir dekhna ye zamaana

Har lamha sone ke jaisa

Yeh sach hai agar tumne mana

Google pe dhundega tujhko

Phir dekhna ye zamaana

Kamzor ho na irade itna zara maan le

Himmat ko jisne nakara

Wo aaj ghum naam hai
