

Kaalai Adhikaalai Song Lyrics

Kaalai adhikaalai
En kaalagal tharai meley
Neelugindra saalaiyai
Aazhugindra naan

Kaalai adhikaalai
Men pookal vizhi meley
Vellaiyaagum boomiyil
Pillaiyaaga naan

Moochu kaatru thooimaiyaaga
Meni engum neer pooka
Kodai ondrai polavaey
Odugindra naan

Adhikaalaiyae adhikaalaiey
Mudhal kaadhal nee thaanae
Adhikaalaiyae adhikaalaiey
Dhinam dhinam unai mananthida
Pudhidhena piranthida ey

Undhan perumaigalai
Ingu yaarum ariyavillai
Vizhi moodi kondu
Indha oorum kedakirathae

Neenda iravugalai
Undhan paarvai karaithidumae
Enakendru nee dhinam thondra
Indha ullam thudikirathae

Vaira vaigarai enakkena thaanae
Indha thaamarai malar thunai
Thulirthida dhinam dhinam enakkena
