---

Aarum kaanaathennum  
Aarodum chollaathe  
Kannil kannaal thammil  
Mindunnu naam

Njaanum neeyum thedum  
Naaletum vaikaathe  
Chaayam thookum thammil  
Melle melle minnum

Nin naanam kaanaanaay  
Nin kopam vaadaanaay  
Ennaalum nizhalaay  
Thanal ekidaam ee jeevanil  
Ninnoram maaraathengum maayaathe

Kaanaa kuyile kaanaa kuyile  
Kannaadi theeram niraye kanavu tharu  
Kaanaa kuyile kaanaa kuyile  
Nee novum neram chiriyaay enne thezhu

Oro raavum neeyum thaaraattaay maarumbol

Pularaan vaikumo ini raaverumo  
Kannoram kaanum moham neraane

Veruthe vegathil odumo

Avarodaay ithaa aliyaan kaathu njaan  
Innetho theeraa daaham nedaano

Pakuthi theeraa kavitha pole  
Akale nilppoo nee varaathe  
Puthiyor aanandamo pathivukal dhooreyo  
Vaanil oonjaal thaazheyaano  
Pranayamaam jaalame

Kaanaa kuyile kaanaa kuyile  
Kannaadi theeram niraye kanavu tharu  
Kaanaa kuyile kaanaa kuyile  
Nee novum neram chiriyaay enne thezhu

Kaanaa kuyile kaanaa kuyile  
Kannaadi theeram niraye kanavu tharu  
Kaanaa kuyile kaanaa kuyile  
Nee novum neram chiriyaay enne thezhu.
