

Wo...

Kaara fankaara kab aaye re
Kaara fankaara tarsaaye re
Ho wo..fankaara..
Kab aaye re..tarsaaye re..

Kabhi kabhi chale goliyan
Dil mein hokar ke thoyen thoyen
Kabhi kabhi chale goliyan
Dil mein hokar ke thoyen thoyen

No one told me that game was real
No one told me that my fate was sealed
No one told me that the way i feel
The way i'm skilled
Just the way i'm build, aa ha..

Fear me now you saying..
It's not real i'm..no hydro
This is just me and my zone
Take a look at me and my throne

BHARAT
lyrics

You get tired you fellas ..
So i've been my own world
Thats me and my girl
And it's well deserved ..
Cause i crack that code
In a city where light go down
You might not be found
When it come back on
And you ** nightmare
Thinkin' thats right there
And you might not know
What it takes to be known
What it take for the god

Phirte hain love gonna die
Ye drug hai karta high
Khiladi ko latkaaye

Let me say what i know
That's so close..huh..
That's so close..

What i know see i thought of a dream
Got stuff you never seen
Got something that's never been
Than i woke up and made it

Now i'm taking what's owed
