

Kaaru Nisale Lyrics

Kaaru nisale kammeneevela
Daari choope deepamai raava
Aapadalalo aadhuko deva
Aakalaithe annamai raava

Kaaru nisale kammeneevela
Daari choope deepamai raava
Aapadalalo aadhuko deva
Aakalaithe annamai raava

Manakunnadhi chinna jeevitham
Aithenemi
Padhimandhiki seyyi ankitham
Prathine pooni
Brathukantha chithi mantai
Ninu chere janamantha
Dhairyam avara
Dhannu nuvera

Kaaru nisale kammeneevela
Daari choope deepamai raava
Baadhapadithe brathuku maarena
Kalla neelle karuvu teerchena

Gaali veechi pandiranthu
Koolipothe teega jadavadhu
Leka kummi oothamantu
Paakuthundhi praanam odaladhu

Orugaali joru choopi daadi chesthe
Nippu maragadhu
Poru chese veerudepudu
Gaayapadina katthi vadaladu
Manushulam jatha manasulam kadara
Nedey okari kosam okaramai padara

Maayamarmam leni maayamma
Maaku oopiri posinaavamma

Neeku nelale nindinaayamma
Chalu kastam chaalulevamma

Pasi paapaku janmanivvadam
Manakovaram
Prathi aadadhi amma avadam
Marala janme
Sathamaanam bhavathantu
Cesthamu seemantham
Neeku shubhamu
