

Kaash assi mill jaande, vichore naa aande
Te naina vassde na, te lokii hassde naa
Je aisa ho jaanda, te rab tera ki jaanda
Oh mera ban janda, main tera ban jaanda
Je dil nu launda na, kade pachtaunda na
Ai lagiya laake te baitha chain gawaa

Samajh menu aave na kyun ronde zaaro zaar
Jina de seene de vich vasda koi yaar
Samajh menu aave na kyun ronde zaaro zaar
Jina de seene de vich vasda koi yaar

Lokan diyan utte keeta na yaqeen
Dhokhe saare hunde enj shaklon haseen

Dil hi na mile phir kade hun gile
Muk gayaa soniye ni tera mera scene
Gal hun dil de na wasdi rahi
Rohnda reha main tu hansdi rahi
Muk gayi kahaani hun saadi dil jaani
Paira vichon meri ni tu khich lai zameen

Samajh menu aave na kyun ronde zaaro zaar
Jina de seene de vich vasda koi yaar
Samajh menu aave na kyun ronde zaaro zaar
Jina de seene de vich vasda koi yaar

Todeya hi jiven mera dil soniye
Duniya hi gayi meri hil soniye
Vekhdi khudai tu samajh na paayi
Tenu vi na jaana kuj mill soniye
Jivein aaj roya main tu kal rovegi
Yaadan vich meri har pal rovegi
Hath naiyo aane guzre zamaane
Hijr di agg vich har pal rovegi

Tere bin reh laange judaaiyan seh laange
Teriyan yaadan de dilaase lai laange

Dil nu samjha laange te kasama paa laange
Raat-din ro laange par na karaange pyaar

Samajh mainu aave na kyun ronde zaaro zaar
Jina de seene de vich vasda koi yaar
Samajh mainu aave na kyun ronde zaaro zaar
Jina de seene de vich vasda koi yaar.
