

Kaatrodu Pattam Pola Song Lyrics

Kaatrodu pattam pola
Indha kaatrodu pattam pola

Kaatrodu pattam pola
Indha vazhkka thaan
Ada yaar solla kodum
Athu pokum pokka thaan

Kannaal kaanbathu
Ingu poiyaai maaruma
Engo ponathu ennidam vanthu seruma

Oru dheivam paakka vanthu
Oru dhevam pochu indru
Nam vazhkkai eppothum kannampochiya

Intha man mele ippothu
Naan thaan saatchiya

Kaatrodu pattam pola
Indha vazhkka thaan
Ada yaar solla kodum
Athu pokum pokka thaan

Pakkathula vaazhum pothu
Unnaruma theriyala
Unnarumai theriyum pothu
Pakkam nee illa

Thannanthani padagu pola
Thathalikkum vazhkai pola
Thandanaigal yethum illa
Intha mannile

Neerile poothalum
Pookkalin vaasangal
Thanniyidam servathillaiye
Enna vidhiyo

Anbile anbile
Intha manam vaaduthe
Kannile eeram seruthe
Kallile poovum pookkuthe

Kaatrodu pattam pola
