Innu vare kandathilla njaan
Ponnurukki vecha penmugham
Innu vare kandathilla njaan
Ponnurukki vecha penmugham

Vinnil ninnu vanna
Mannil koottu chernna
Pennival kannival

Thedikkittiyoru vennilaa
Paathiraavil vannu ponmazha
Thooval thumbin munayaaloru
Mridhulaaksharam

Seematheetha sooryodhaya deepankuram
Aakasham minnithennunnu ponmaan
Mele kandu kaalam en konil
Kuliraayi kulir mazha maramaayi

Kaattu chembakam poothotte
Naattu thathamma kettotte
Neeyenikkulla kanni pennaane

Kaathu kittiya muthane
Thedi kittiya ponnnane
Katteduthoru moha swathaane

Varumo varumo ithile varumo
Ninne kaathu ninnen kaal kuzhanje
Moha penmaane

Nee pokathe pokathe kaivediyathe
Nooru mohangal daahangal thedi varumbol

Theeram thirayodaayi oru prema sallaapam
Kattum mulam thandum oru gaana sallapam
Mukilanimazha pozhiyana pakale

Kaattu chembakam poothotte

Naattu thathamma kettotte
Neeyenikkulla kanni pennaane

Kaathu kittiya muthane
