Ennoda kalakuthu nesathulaa

Vazhi neduga kaattumalli

Vazhi neduga kaattumalli
Kann parrkum kavanamillai
Pookkura neeram theyriyathu
Kaathirupen naan salikkaathu

Poo manam puthusa theriuthamma
En manam karumba inikuthamma

Vazhi neduga kaattumalli

Kanavenakku vanthathu illai
Ithu nesama kanavu illai
Kanavaa ponathu vazhkai illai
Vazhkaiya nenachi valththathuillai

Manju moottama manasukulla
Pogura varukira ninaivugale
Orankuthu ulla oru vissaiyum
Orakkam kalanja nessam theriyum

Kathiruppen naan thirumbi vara
Kaattumalliyilla arumbedukka

Vazhi neduga kaattumalli
Kann parrkum kavanamillai
Kadae manakuthu vaasathula
Ennoda kalakuthu nesathulaa

Kitta varum nerathula
Etti pora thoorathula
Nee irruikka ullukullla
Unna vittu povathilla

Olagaathil engo mulaiyila
