

Kaatukkatha Song Lyrics

Kaatukkatha manasu kaththum
Saththam kekkutha
Vettu kuththa ennai kollum
Saththam kekkutha

Paarai veyilena naan kothikkiren
Saara kaathena naan veesuren
Saaral mazhaiyena naan peiyiren
Era thuniyena naan kaayuren

Ada para para para para para maname...

Saththam kekkutha
Vettu kuththa ennai kollum
Saththam kekkutha

Kanna paarthu pesum bothu
Ullan yengi saakuthe
Kanna kuzhiyil aasathengi
Kadhal kolla thonuthe

Unnai paarthu yengum bothu
Uyiril vairam paayuthe
Othatta sulichu kaattum bothu
Udambil vannam maaruthe

Yezhezhu jenmangal unnodu vaazha
Naan thaam varam vaanginen
Eerezhu inbangal nenjodu sehra
Naan thaam varam kekkuren
Vaa vaazhalam

Kaatukkatha manasu kaththum
Saththam kekkutha
Vettu kuththa ennai kollum
Saththam kekkutha

Nenjan koottil vesam katti
Nedu neram aaduren
Nethiravu nelava kaatti
Nenappa soora oottura

Peraasaigal oonjal katti
Ennai yenthi aadhuthe
