Kaayam en un kan mun maayam  
Puthirum uthirum ahaha aha  
Aha ahangaaramen

Paththini pavithra saabam  
Vidaathunaye virattum  
Mogathil nee sikki aadathe  
Paazhachu vaazhve

Avasthai nee paduvai

Nee kidu kiduvena uyara  
Kevalam ellam purinji  
Aasai mosam senja dhrogiye

Man moodi nee pudhaiya  
Un meni puzhu theeniye

Kuththamum koodhamum kula naasamaga  
Keduthidum budhi iru vazhi kaththi  
Kuththiyavanai kaavu adhu vaangatho  
Naavin rusikkum thozhin pasikkum  
Virpanaiyanavan virpannanaaginum

Un manam ammanam thanai kollume  
Un thiram manthiram vinai vellume

Kannethire unnai kondru ma maattru

Unnarisiyil variyavan per potru  
Udal uruppai pirar vaazha thanthidu  
Irappe illamale iruppai nee illamale  
Iruppai nee illamale

Kannethire unnai kondru ma maattru  
Unnarisiyil variyavan per potru  
Udal uruppai pirar vaazha thanthidu  
Irappe illamale  
Iruppai nee illamale iruppai.
