

Kab bit gai jeevan kee subah,  
Yeh jan na mai toh payee re  
Bujh gaye deep aashao ke,  
Yeh kaisee aandhi aayi re  
Yeh kaisee aandhi aayi re  
Kab bit gai jeevan kee subah

Duniya ne mera duniya mein  
Sukh chain hai mujhase chhin liya  
Sukh chain hai mujhase chhin liya  
Kisamat ne khushee ki kaliyo ko  
Hai man upavan se bin liya  
Hai man upavan se bin liya  
Abb kisako pukaru sunata nahi  
Dukhiya ki koi duhayi re  
Dukhiya ki koi duhayi re  
Kab bit gai jeevan kee subah

Jab lakhon the sunanevale  
Tab kahane ko thee bat nahi

Tab kahane ko thee bat nahi  
Abb lakhon batein kahani hai  
Aur sunanevala sath nahi  
Aur sunanevala sath nahi  
Main puchhu kise jakar ke prabhu  
Main puchhu kise jakar ke prabhu  
Yeh kisane aag lagayi re  
Yeh kisane aag lagayi re  
Kab bit gai jeevan kee subah.
