

Kabhee kabhee bejuban parvat bolate hain
Kabhee kabhee bejuban parvat bolate hain
Parvato ke bolane se dil dolate hain
Kabhee kabhee bejuban parvat bolate hain
Parvato ke bolane se dil dolate hain

Sar se mere aanchal sarakata hai aise
Haatho me yeh kangan khanakata hai aise
Sine me mera dil dhadakata hai aise
Jaise udate panchhee par taulate hain
Kabhee kabhee bejuban parvat bolate hain
Parvato ke bolane se dil dolate hain

Apne kayalo se mai sharama rahee hu
Madahosh hu hosh me nahee a rahee hu
Baithee hu dolee me kahi ja rahee hu
Raste me mera ghunghat woh kholate hain
Kabhee kabhee bejuban parvat bolate hain
Parvato ke bolane se dil dolate hain

Hontho pe aa jaye agar dil kee baate
Kaise chhupayeghe najar dil kee baate
Dil me hee rahatee hain magar dil kee baate
Log premiyo ke man ko tatolate hain
Kabhee kabhee bejuban parvat bolate hain
Parvato ke bolane se dil dolate hain
Parvato ke bolane se dil dolate hain
Kabhee kabhee bejuban parvat bolate hain.
