

O ri sakhi ab lagan lagi
Tere haath piya ki mehndi
Dhol baje yun dhol baje
Dhol baje yun dhol baje
Ki sari mehfil nachdi
Kabhi khan khan khan
Kabhi chan chan chan
Kabhi hole se kya bole mann
Yeh rog jiya ka chup na saken
Yeh rog jiya ka chup na saken
Kya khub hai yeh deewanapan
Kabhi khan khan khan
Kabhi chan chan chan
Kabhi hole se kya bole mann

Jaayegi paraye ghar
Sukh paayegi paraye ghar
Sab ki duaen tu le
Jayegi paraye ghar

Doliyan mein dolegi tu
Kuch nahi bolegi
Nanand jethani tera
Ghoongta yeh kholengi
O ri sakhi ab lagan lagi
Tere haath piya ki mehndi
Dhol baje yun dhol baje
Ki sari mehfil nachdi
Kabhi khan khan khan
Kabhi chan chan chan
Kabhi hole se kya bole mann

Jaagun main raaton raaton ko
Sochu jo teri baaton ko
Jadoo yeh jaane kaisa hai
Har chehra tere jaisa hai
Main odhke lal chunariya
Main odhke lal chunariya
Sang chal dongi sajan ke aangan
Kabhi khan khan khan

lyrics

Kabhi chan chan chan
Kabhi hole se kya bole mann

Khoyi hoon main khoyi khoyi hoon
Sapno mein tere hi khoyi hoon
Jaanu na mujhe kya ho
Betha koi thi main ab to koi hoon
Hum pyar ke deewano ka
Hum pyar ke deewano ka
Koi rok sakega na yeh milan
Kabhi khan khan khan
Kabhi chan chan chan
Kabhi hole se kya bole mann
O ri sakhi ab lagan lagi
Tere haath piya ki mehndi
Dhol baje yun dhol baje
Dhol baje yun dhol baje ki
Sari mehfil nachdi.
