

Kabhi ye sath na chhute  
Hath se hath na chhute  
Jiye sath sath hum  
Mare sath sath hum  
Kabhi ye sath na chhute  
Hath se hath na chhute

Tumhare sang rahu main  
Tumhare dil mein basu main  
Tumhare lab pe hasu main  
Bhale ye duniya chuk jaye  
Magar ye hath na chuke  
Hath se hath na chhute  
Jiye sath sath hum  
Mare sath sath hum  
Kabhi ye sath na chhute  
Hath se hath na chhute

Ek nanhi si kali bade nazo  
Se pali chali piya ki gali  
Meri preet ki laz rakhna ji  
Sakhi ye khwab na tute  
Hath se hath na chhute  
Jiye sath sath hum  
Mare sath sath hum  
Kabhi ye sath na chhute  
Hath se hath na chhute

Tode dur dur hum  
Sada sang rahe hum  
Hamare prem ki patang ude  
Aur dor na chhute  
Hath se hath na chhute  
Jiye sath sath hum  
Mare sath sath hum  
Kabhi ye sath na chhute  
Hath se hath na chhute.
