

Hariyaale banne
Baba ke dhore mat jaio
Haryaale banne baba ke
Dhore mat jaio dadi ka laadla
Mera banna dadi
Ka laadla mera banna

Here we go now here we go now
Ahaa sounds fresh thats right

Kachchi kaliyaan mat
Todho malan degi gaaliyaan
Kachchi kaliyaan mat
Todho malan degi gaaliyaan

Kachchi kaliyaan hum naa
Todhen le jaayen poora bageecha
Kachchi kaliyaan hum naa
Todhen le jaayen poora bageecha
Malan teri bagiyaa bhali hai
Har kyari mein kaliyaan khilli hain
Bhavre hum prem ke pyase
Sun lenge teri gaaliyaan

Kachchi kaliyaan mat
Todho malan degi gaaliyaan
Kachchi kaliyaan mat
Todho malan degi gaaliyaan

Kalieron ke galon pe til hai
Aur kaano mein baaliyaan
Kalieron ki ankhen nasheeli
Par hothon pe gaaliyaan.

Bhavre hai yaa bhais hai ye
Gaate sunlo kaise hai ye
Apne tabele mein khonte
Se inko hai baandhna

Kachchi kaliyaan mat
Todho malan degi gaaliyaan

Yeah yeah yeah yeah
We the cool champions
Always number one
Never play with us
We the son of guns

Main hoon naar naveli
Mein hoon chail chbeeli
Mere paas nahin tum aana
Mere chakhshu
Kataai jaadu ki pitari
Tumhe padhjaayena pachtanaa
Hato jaao hato jaao

Don't scream don't shout
Mat karo jora jori
Humein naa yun bharmao
Break it down break it down
Don't scream don't shout
Baiyaan naa marorho saiyaan
Choodiyaan na karkaa

We are on the hook
We are on the line
You cannot sing
You cannot rhyme
Inko mrindang tabla sunaye
Jo taal chedh to

Tin tinak tin tinak tin
Tin tinak tin tinak tin
Tiki tiki tiki tiki tiki tiki taa
La la la laa laa laa laa laa

Bhavre to hain matvale
Par mann ke kaale hain
Bante hain kitne sayne
Par akal pe taale hain

Kaliyon sunlo baat khari yeh
Bhavron se yeh bagiyaan hari hai

Hum jo naa aayen yahaan pe
To muh phir taakna.

Kachchi kaliyaan mat todho
Malan degi gaaliyaan
He kachchi kaliyaan hum naa
Todhen le jaayen poora bageecha

Malan teri bagiyaa bhali hai
Har kyari mein kaliyaan khilli hain

She is very pretty
She is very preety
She is very very
Very very pretty
Pretty pretty ya

I am very pretty
I am very pretty
I am very very
Very very pretty
Pretty prety ya

She is very pretty
She is very preety
She is very very
Very very pretty
Pretty pretty ya

I am very pretty
I am very pretty
I am very very
