---

Loo mari namdella onde guri  
Field alli hosa thali  
Bandaithu side'ig sari

Keluskolole mari  
Kodtivi thotapuri  
Hachaitu benki kidi  
Thakatidre neen thadi

Shuruvaytu shukradese  
Tumbaytu khali kise  
Guri itre misse illa  
Kaldogtiya keli kathe

Kanasina baagilu teredaagide  
Kaaytidda jeevana kaiyallide  
Naav nintagide, field set aagide  
Yaavan bandrunu kai kattakode

Salige suligege kaarana  
Tale odsi beelisbeku gaalana  
Dhandeli dhumki tilibeku aalana  
Aalordenee yeliyodu kaalana

Bandide kale paal marketige  
Beda bhava gotilla sarikkige  
Mai tumba gathide  
Cold vibe mast ide

Full on sokkide  
Noorik noor kick-ide

Smooth aagide slow alla ma  
Time aagidre madbeku calm-m  
Onagide chigru hasragide  
Beldu nintovn helkolakke kaaytide maam.

Chacha ond dose packet

Nannadeega marukatte gathinalli kalu itte  
Benna hinde bandavara neralige prana kotte  
Pitipiti kitikiti maduvara sidigitte  
Maathaliro mitigala mootekatti daanakotte

Hanagala holeyanu hidiyalu anakatte  
Kattikonda kedavide bekagilla katakate  
Hasivige hedarilla esto dina khali tatte  
Kattitta sittaneega bhajarige haribitte

Thooka irod mamuli, aadu prathi mathali  
Hinde inda bandu kunthidivi front seat ali

Loo mari namdella onde guri  
Field alli hosa thali bandaithu side'ig sari  
Keluskolole mari kodtivi thotapuri  
Hachaitu benki kidi thakatidre neen thadi
