

Kadam kadam pe bahaaren lutata
Ye kaun aayaa hai aanchal udaata
Teri nazar kaa milaa jo ishaaraa
To aa gayaa koi daaman bachaata

Nazar mein shokhi labo pe masti
Tumhi bataao ye kaisi adaa hai
Zaraa sanbhalake milaa aankhe
Ke phir na kahanaa hamaari khataa hai
Meri khataao pe yun muskuraata
Ye kaun aayaa hai aanchal udaata
Teri nazar kaa milaa jo ishaaraa

Ye kasii halachal uthi hai dil me i
Ke chalte chalte kadam daga magaae
Nai nai hai abhi mohabaat
Na jaane aage ye kyaa gul khilaae
Teri mohabbat ne jab hi pukaaraa
To aa gayaa koi daaman bachaata
