

Kadam mere dagmaga rahe hai  
Idhar mohabbat udhar wafa hai  
Kadam mere  
Kadam mere dagmaga rahe hai  
Idhar mohabbat udhar wafa hai  
Pal ke dekhu to kho na jaaye  
Udhar to kato ka rashta hai  
Kadam mere

Bacha le mujhko yeh imtihaan hai  
Meri mohabbat meri wafa ka  
Bacha le mujhko yeh imtihaan hai  
Meri mohabbat meri wafa ka  
Na aaye ulfat  
Na aaye ulfat ke dag tujhko  
Meri mohabbat ka wasta hai  
Kadam mere

Tere siwa ab nahi hai koi  
Jo is andhere mein rahnuma ho  
Tere siwa ab nahi hai koi  
Jo is andhere mein rahnuma ho  
Tere sahare  
Tere sahare se chal rahi hu  
Ke mujhko tera hi aasra hai  
Kadam mere  
Diya umeedo ka ek jala kar  
Yeh kahe rahi hai meri jawani.
