

Kadhal theeratha nerangal thedi
Vaarththai vaasangal poo pookkuthae
Kalai maalaithaan aasaigal pesi
Theendum megangal thaalaattuthae

Thooram nee poga naan paathai aavaenae
Paaram kaanaamal ododi poga
Paasa thooralgai naalthorum maaraathae
Vedanthaangal naam koodavae

Medai naam yaera oorun poo thoova
Naalum seraatho naam vaazhnthida
Odai neerodu neendhum meenaaga
Kalam ketpomae naam neenthida

Kadhal theeratha nerangal thedi
Kalai maalaithaan aasaigal pesi
