Thoondil meenaai naan
Ingaye ye
Kaadhal sollavaa

Kanave naan rasipathu
Azhagin nagalaa
Ulavum uyirin thugalaa
Maname unai paarthida
Veesum veyilaa
Idhu or puriyaa nilaiyaa

Vendreduthaaaye
Kondreduthaaye
Ulaginil theeraadha thedal neeye
Kannedhirile
Maraiyaadhe
Uraigiren unnale yaavum neeye

Edhai edhai edhai thedinaai
Vizhi nadhiyinil neendhinaai
Parandhenae naanum mella
Nee varave

Anange ariyaamal
Agathinai vendraai
Ganamum edhire nindraai
Kovam kudai saayudhe
Udan nee irundhaal
Alare nee dhan sagiye

Kaadhal sollumaa
Kaadhal kollumaa
Kaadhal vellumaa
Kaadhal sollumaa

Kaadhal vellumaa aa

Adho idho enge naan

Aruge saruge ilai aagumaa
Therindha oru siru vari paadavaa
Iru ver idhaiyam inaiyum vidhamaa
Pakkam vandhume
Paarthu nindrenae
Unai enni manam inge
Naal ellam thudikume

Nallai allaiye alla villaiye
Sollavillaiye mellavillaiye
Saatchi edhum adharkaaga
