

Yeh daulat bhi le lo, yeh shohrat bhi le lo  
Bhale chhin lo mujhase meri jawaani  
Magar mujhako lauta do bachpan ka saawan  
Woh kaagaz ki kashti woh baarish ka paani  
Yeh daulat bhi le lo, yeh shohrat bhi le lo  
Bhale chhin lo mujhase meri jawaani  
Magar mujhako lauta do bachpan ka saawan  
Woh kaagaz ki kashti woh baarish ka paani  
Woh kaagaz ki kashti woh baarish ka paani

Muhalle ki sabse nishaani puraani  
Woh budhiya jise bachche kehate the naani  
Woh naani ki baaton mein pariyaon ka dera  
Woh chehare ki jhurriyon mein sadiyon ka pera  
Bhulaaye nahi bhul sakata hai koyi  
Woh chhoti si raatein woh lambi kahaani  
Woh kaagaz ki kashti woh baarish ka paani  
Woh kaagaz ki kashti woh baarish ka paani

Kadi dhup mein apne ghar se nikalana  
Woh chidiya woh bulbul woh titalipakdana  
Woh budhiya shaadi pe ladada jhagadana  
Woh jhulon se girana, woh gir ke sambhalana  
Woh pital ke jharno ke pyaare se tope  
Woh tuti huyi chudiyon ki nishaani  
Woh kaagaz ki kashti woh baarish ka paani  
Woh kaagaz ki kashti woh baarish ka paani

Kabhi ret ke unchi tilon pe jaana  
Gharonde banaana banaake mitaana  
Woh maasun chaahat ki tasbeer apani  
Woh khaabon khailauno ki jaagir apani

Na duniya ka ghum tha na rishton ke bandhan  
Badi khubsurat thi jindgaani  
Yeh daulat bhi le lo, yeh shohrat bhi le lo  
Bhale chhin lo mujhase meri jawaani  
Magar mujhako lauta do bachpan ka saawan  
Woh kaagaz ki kashti woh baarish ka paani  
Woh kaagaz ki kashti woh baarish ka paani.
