

Kahaani 2020 Song Lyrics

Sez on the beat boy!

Aa likhe ye kahaani
Ya aa khushiyon ki aandhi
Udde mushqilon se paar
Bure dino se paar main ghmun

Likhe ye kahaani
Ya aa khushiyon ki aandhi
Udde mushqilon se paar
Bure dino se paar main ghmun

I don't want no tension
Lets chill bring ya friends bani mehfil
Gaane autotune vibe rakhe natural
That feel mad real, blessed

Feeling ko samajh ye ladki ne
Kabhi na diya mujhe stress
Tabhi toh jabhi ho sake main bheju ye text
Dil ki baat in a studio sesh
Aaja yungi i'm a dip sorry sez

Yeah it's cool bhai chinta na fizool
Ginn saari duaen khule dil se kar qubool
Aaya tu jahan se usse jaana mat tu bhool
That's the rule..

Aaya drive lekar poori karta passion jisse fuel oh
Yeh toh hai drill abhi aana shuru hua hai thoda thrill abhi
Music my therapy aur kuch toh waise bhi yahan hai nahin
Hai lay nahin khud par bharosa aur mehnat ki synergy
Aur baansuri ki dhun yeh deti zindagi

Aa likhe ye kahaani
Ya aa khushiyon ki aandhi
Udde mushqilon se paar
Bure dino se paar main ghmun

Aa likhe ye kahaani
Ya aa khushiyon ki aandhi
Udde mushqilon se paar
Bure dino se paar main ghmun

Sabde muh te kehdi gallon ainni zyada khushiyan ne chhaiyan
Nazareya ch gum hoke assi vi aaj chuthiya manayian
Akela pann tera tainu ik din khajavega
Dil ch hanera rahega roshni mitadavega
Rooftop vich tash chale adhi raati
Poora shehar chhota dikhe ainni utte assi

Pull up like i got a little something to say
My boys know this shit my every day
Mr. Roy on the grind like i'm running out of time
I've been pacing heavy, i could really use some meditation

Cuz i've been stressing if i make enough to make a living
But i've been trying to see it different, call it 2020 vision
Man, i'm on a mission, forget the shit i'm missing
Get out the mental prison, fear is just a superstition, ya feel?

Aa likhe ye kahaani
Ya aa khushiyon ki aandhi
Udde mushqilon se paar
Bure dino se paar main ghmun

Aa likhe ye kahaani
Ya aa khushiyon ki aandhi
Udde mushqilon se paar
Bure dino se paar main ghmun..!
