

Meri yeh kaisi sazaa hai  
Teri yeh kaisi khata hai  
Manzilein mujhse khafa hai  
Mere khwaab kyun mujhse judaa hai  
Kahaan hai tu khuda  
Kahaan hai yeh bataa

Na khushi na toh dard jiyega  
Kaun lakiron ki raah siyega  
Saasein kuch be-bas hai kuch bezaan  
Kismat kyun aisa karti hai  
Patthar ka kyun dil rakhti hai  
Dhoka deke banti hai anjaan  
Kahaan hai tu khudaa  
Kahaan hai yeh bataa

Ab tu kyun khamosh hua hai  
Saaya mera kuch mujhse khafaa hai  
Khali haath kyun lauti meri dua  
Aaj kahunga main chup na rahunga  
Jitni sazaa de uttni sahunga  
Tera diya har zakham ab mera  
Kahaan hai tu khudaa
