

Kahe chede re mohe  
Balepan me sajna  
Kahe chede re mohe  
Balepan me sajna  
Duniya se dar had se na gujar  
Fir milna kahe chede  
Kahe chede re  
Mohe balepan me sajna

Bhul hui mose jo preet kari  
Tose o diwane  
Choti si umar me ye rog  
Laga kaise ram jane  
Bhul hui mose jo preet kari  
Tose o diwane choti si  
Umar me ye rog  
Laga kaise ram jane  
Mohe bar bar laz si aaye hai  
Mohe bar bar laz si aaye hai  
Ja re anjani shayri ab se na karna  
Ab se na karna kahe chede re  
Mohe balepan me sajna  
Duniya se dar had se na gujar  
Fir milna kahe chede  
Kahe chede re  
Mohe balepan me sajna

Nanhe se jiye me  
Ho pyar ki umang abhi nahi  
Jo tere man bhaye  
Is roop me wo rang abhi nahi  
Nanhe se jiye me  
Ho pyar ki umang abhi nahi  
Jo tere man bhaye  
Is roop me wo rang abhi nahi  
Kahe roz roz rah me roke hai  
Kahe roz roz rah me roke hai  
Najar na jane abhi najar  
Ki bat samjhna bat samjhana  
Kahe chede kahe chede re

Mohe balepan me sajna  
Duniya se dar had se na gujar  
Fir milna kahe chede  
Kahe chede re  
Mohe balepan me sajna.
