

Ye dosti yaari mohabbat kya hai  
Kuchh bhi nahi sab dikhawa hai  
Are sab numayish hai  
Numayish ke siwa kuchh bhi nahi

Kahe ki dosti kahe ki yaari  
Kahe ki dosti kahe ki yaari  
Duniya ye duniya hai matlab ki mari  
Yaaro ki yaari  
Yaaro ki yaari numayish hai sari  
Kahe ki dosti kahe ki yaari  
Yaaro ki yaari numayish hai sari

He kya rishte nate hai  
Bate hi bate hai  
Bato ki ghato se dil lut jate hai  
Kasme to rasme hai  
Duniya ke bas me hai  
Duniya ki aankho pe  
Do rangi chamshme hai  
Dekhi hai duniya  
Duniya ye duniya  
Dekhi hai duniya ki ye duniyadari  
Kahe ki dosti kahe ki yaari  
Yaaro ki yaari numayish hai sari

He kaliya bik jati hai galiyo bazaro me  
Dil ke bimaro me jhute dildaro me  
Maili har chunar hai dagi har choli hai  
Teri bhi boli to yaaro ne bolo hai  
Sab yaar tere tere ha tere  
Sab yaar tere hawas ke pujari  
Kahe ki dosti kahe ki yaari  
Yaaro ki yaari numayish hai sari

Meri to hasti me masti hi masti hai  
Paas hai daulat to ye duniya sasti hai  
Log sach kahte hai ha mai har jai hu  
Bat sach ye bhi hai tera saudai bhi hai  
Sagro meena se jhum ke peena hai

Jab talak jina hai jhum ke jina hai  
Jo maine chaha hai ha wahi paya hai  
Manga kab duniya se maine to chhina hai  
Baho me dam hai phir kiska gham hai  
Takat ki sab karte hai davedari

Kahe ko dosti kahe ki yaari  
Duniya ye duniya hai matlab ki mari  
Yaaro ki yaari  
Yaaro ki yaari numayish hai sari  
Kahe ki dosti kahe ki yaari
