

Kahe tohse sajna, kahe tohse sajna
Yeh tohri sajaniya
Pag pag liye jaun tohri balaiyan
Pag pag liye jaun tohri balaiyan
Magan apni dhun mein rahe mora saiyan
Pag pag liye jaun tohri balaiyan
Pag pag liye jaun tohri balaiyan

Badariya si barsu ghata ban ke chhaun
Badariya si barsu
Ho badariya si barsu ghata ban ke chhaun
Jiya to yeh chahe tohe ang lagaun

Laaj nigodi mori roke hai paiyan
Pag pag liye jaun tohri balaiyan
Me pag pag liye jaun tohri balaiyan

Main jag ki koi reet na janu
Main jag ki koi
Ho main jag ki koi reet na janu
Maang ka tohe, sindoor manu
Tu hi chudiyen mori tu hi kalaiyan
Pag pag liye jaun tohri balaiyan
Me pag pag liye jaun tohri balaiyan

Mohe laage pyare sabhi rang tihare
O ho mohe laage pyare
Mohe laage pyare, sabhi rang tihare
Dukh sukh mein har pal, rahun sang tihare
Dardva ko baante umar larkaiyan
Pag pag liye jaun tohri balaiyan
Kahe tohse sajna yeh tohri sajaniya
Pag pag liye jaun tohri balaiyan me
Pag pag liye jaun tohri balaiyan
Pag pag liye jaun tohri balaiyan
Pag pag liye jaun tohri balaiyan.
