

Kahin phool honge kahin pyar hoga  
Tera mera aisa sansar hoga  
Kahin phool honge kahin pyar hoga  
Tera mera aisa sansar hoga  
Mohabbat ko bandh lenge  
Irado ko dor se  
Kahin door honge  
Hum tum is duniya ke shor se  
Kahin phool honge kahin pyar hoga  
Tera mera aisa sansar hoga

Mera pyar ek dua hai  
Tujhe raasta dikhaye  
Mera pyar ek dua hai  
Tujhe rasta dikhaye  
Jo manzile hai teri  
Un manzilo pe laye  
Mohabbat ko bandh lenge  
Irado ko dor se  
Kahin dur honge  
Hum tum is duniya ke shor se  
Kahin phool honge kahin pyar hoga  
Tera mera aisa sansar hoga

Meri zindagi pe tune ehshan kar diya hai  
Meri zindagi pe tune ehshan kar diya hai  
Viran zindagi mein rang bhar diya hai  
Mohabbat ko bandh lenge  
Irado ko dor se  
Kahin dur honge  
Hum tum is duniya ke shor se  
Kahin phool honge kahin pyar hoga  
Tera mera aisa sansar hoga

Har bandhano se unchi ye preet hai hamari  
Hum har ke na hare ye jeet hai hamari  
Har bandhano se unchi ye preet hai hamari  
Hum har ke na hare ye jeet hai hamari  
Mohabbat ko bandh lenge  
Irado ko dor se

Kahin door honge  
Hum tum is duniya ke shor se  
Kahin phool honge kahin pyar hoga  
Tera mera aisa sansar hoga  
Kahin phool honge kahin pyar hoga  
Tera mera aisa sansar hoga
