

Hum tino shaitan bade hai  
Lekin ham hai ram bade hai  
Humne tumko bada sataya  
Tumne humko gale lagaya  
Madam tum jiti hum haare  
Kaan pakadte hain hum saare  
Bhool hamari maaf karo  
Ab has do gussa chhodo  
Chhote chhote dil na todo  
Didi tum hum sab ki jaan ho  
Bin maa ke bacho ki maa ho

Kahin se aayi rani  
Kahi se aaya raja  
To jhoomo naacho  
Gaaoo bajao band baaja  
Kahan se aayi rani  
Kaha se aaya raja  
Na koi khidki  
Na koi darwaza  
Kahin se aayi rani  
Kahi se aaya raja  
To jhoomo naacho  
Gaaoo bajao band baaja  
Tu mahalo ki rani  
Main galiyon ka raja  
Aa khele raja  
Rani ke khel aaja

Woh jaadugar hai ke  
Jadoo joh chalaye  
Nazare jhoom uthe  
Ke phool muskuraye  
Use duniyawale  
Pahad kehte hain  
Use yeh dilwale  
Pyar kehte hain  
Naye naye saathi  
Nayi naaye rahen  
Chalo saath milkar lo

Thaam lo yeh baahen  
Ke baahe thaam ne se  
Yeh phool khilte hain  
Yeh phool khilne se

Yeh dil milte hain  
Kahin se aayi rani  
Kahi se aaya raja  
To jhoomo naacho  
Gaaoo bajao band baaja

Kahin se chidiyaan ne  
Churaya ek daana  
Are o kaale kavwe  
Na shor machana  
Oh luk chup jaana  
Makai ka daana  
O raje ki beti  
Tu abhi na aana  
Main bolu i love you  
Tum bolo i love you  
Chaloji gaate hanste  
Waha pe chalte hain  
Yeh pyaar waale jadoo  
Jahan chalte hain  
Kahin se aayi rani  
Kahi se aaya raja  
To jhoomo naacho  
Gaaoo bajao band baaja  
Kahan se aayi rani  
Kaha se aaya raja  
Na koi khidki  
Na koi darwaza  
Kahin se aayi rani  
Kahi se aaya raja  
To jhoomo naacho  
Gaaoo bajao band baaja  
Tu mahalo ki rani  
Main galiyon ka raja  
Aa khele raja rani ke khel aaja.
