

Maine nahi jaana tune nahi jaana  
Jane-anjane jo huya

Kuchh to huya jo mujhko huya na  
Tujhko magar kyun hua

Ho sansein kho gayi hai kiski aaho mein  
Main kho gyi hu jane kiski baaho mein  
Manjilo se raahe dhundti chali  
Kho gayi hai manzil kahi raho mein

Sab kuchh wahi hai par kuch kami hai  
Teri aahatein nahi hai, nahi hai

Jaane na kaha wo duniya hai  
Jaane na wo hai bhi ya nahi  
Jaha meri zindgi mujhse itni khafa nahi

Ho oh jaane na kaha wo duniya hai  
Jaane na wo hai bhi ya nahi  
Jaha meri zindgi mujhse itni khafa nahi

Ho chhoti-chhoti baate yuhi aate jaate  
Yaade sehlake jati hai  
Raato ko sirhane baansi muskane  
Mujhko sulake jaati hai

Milna nahi hai mumkin itna batao lekin  
Ham fir mile kyun hai  
Tujhko bula na payun tujhko bhula na payun

Yeh silsile kyun hai

Hogi jahan subah teri palko ki kirno mein  
Lori jaha chand ki sune teri baaho mein

Kahin toh kahin toh hogi woh  
Duniya jahan tu mere saath hai  
Jahan main jahan tu aur jahan  
Bas tere mere jazbaat hai

Teri aahatein nahi hai, aahatein nahi hai  
Teri aahate nahi hai

Jahan meri zindgi mujhse itni khafa nahi  
Kehti hai fiza jaha teri zameen aasman  
Jaha hai tu meri hanshi meri khushi meri jaan.
