

Kai din se sawan barsata hai rimjhim rimjhim
Kai din se sawan barsata hai rimjhim rimjhim
Hawa jumti hai ghata ga rahi hai
Ab aise mein pritam na aaye to delkho delkho
Ab aise mein pritam na aaye to delkho delkho
Nazar ruthane ki kasam kha rahi hai
Kai din se sawan barsata hai rimjhim rimjhim

Fasa kaun yeh bijliyo ki ada se
Fasa kaun yeh bijliyo ki ada se
Barsne lage kisake aansu ghata ke
Barsne lage kisake aansu ghata ke
Yahi puchhati hai mere
Dil ki dadhakan dadhakan
Yahi puchhati hai mere
Dil ki dadhakan dadhakan
Yahi puchhati hai mere
Dil ki dadhakan dadhakan
Magar kuch batate haya aa rahi hai
Kai din se sawan barsata hai rimjhim rimjhim

Udhar tu hai aur mein edhar hu to kya hai
Udhar tu hai aur mein edgar hu to kya hai
Khi phul se uski khusi to juda hai
Yeh mana ki aisi nahi koi duri duri
Yeh mana ki aisi nahi koi duri duri
Par etni bhi duri sitam dha rahi hai
Kai din se sawan barsata hai rimjhim rimjhim
