

Han ao yaron a jao is pal  
Mein dekho ab hum sabhi  
Ruke ruke se zara hai yeh kadam  
Jana jana kahan hai yeh jane na hum  
Chutenge sare yar ye kaise hoga yar  
Rahega na yeh sath  
Par yaade honghi sath  
Woh pehla pehla milna apna  
Thoda jhagadana ladna  
Ai kash ho jaye hum hum yun

Rehte rahe sang sang sang sang ho  
Hasta la vista kaise kahe tumhe  
Alvida yaron suno ke huwa dil fida  
Yad zara to rakhana han  
Kabhi bhi hame bhul na jana  
Hasta la vista ho rahi hai rahe  
Sab juda kehna hai jo bhi keh do zara  
Ho is pal yeh wajah to  
Dekho inhe na gawana  
Keep doing your thing thing thing

Kya kya kehna hai abhi baki  
There is much more its all of me
