

Kaise kahen ham pyaar ne  
Ham ko kya kya khel dikhaaye  
Kaise kahen ham pyaar ne  
Ham ko kya kya khel dikhaaye  
Yun sharamaai kismat hamase  
Khud se ham sharamaae

Baagon ko to patajhad loote  
Loota hamein bahaar ne  
Duniya marati maut se lekin  
Maara ham ko pyaar ne  
Apana vo haal hain beech  
Safar mein jaise koi lut jaaye  
Kaise kahen ham pyaar ne  
Ham ko kya kya khel dikhaaye

Tum kya jaano  
Tum kya jaano kya chaaha  
Tha kya lekar aaye ham  
Toote sapane ghaayal nagame  
Kuchh shole kuchh shabanam  
Itana sab hai paaya hamane  
Kaho to kahaa na jaaye  
Kaise kahen ham pyaar ne  
Ham ko kya kya khel dikhaaye

Aise baaji shahanaai ghar  
Mein ab tak so na sake ham  
Apanon ne ham ko itana  
Sataaya roye to ro na sake ham  
Ab to karo kuchh aisa  
Yaaron hosh na ham ko aaye  
Kaise kahen ham pyaar ne  
Ham ko kya kya khel dikhaaye  
Yun sharamaai kismat  
Hamase khud se ham.
