

Kaisi hai ye aawargi  
Tu jaa raha hai aye dil kahaan  
Kaisi hai ye aawargi  
Tu jaa raha hai aye dil kahaan  
Jis raah ka musafir hai tu  
Uss raah ki koi manzil kahaan  
Ho ho khwaabo khayaalo ki duniya thi woh  
Jis mein milaa thaa woh meherbaan  
Kaisi hai ye aawargi  
Tu jaa raha hai aye dil kahaan  
Jis raah ka musafir hai tu  
Uss raah ki koi manzil kahaan

Jhoke hawaake aur khushbooe  
Thehre hai kab ek jagaah ye bataa

Jhoke hawake aur khushbooe  
Thehre hai kab ek jagaah ye bataa  
Phir dhundhne jaa raha hai use  
Jiska pataa bhi nahin hai pataa  
Ho ho sabke dilo pe rehte nahin  
Guzre huye lamhon ke nishaan  
Kaisi hai ye aawargi  
Tu jaa raha hai aye dil kahaan  
Jis raah ka musafir hai tu  
Uss raah ki koi manzil kahaan

Haskar mile gar koi ajnabi  
Isko mohabbat samajte nahin  
Haskar mile gar koi ajnabi  
Isko mohabbat samajte nahin  
Achhi nahin aisi deewangi  
Yeh silsila khatma karde yahin  
Ho ho un khwahisho ko na parwaaz de  
Poori jo ho na sakegi yahaan  
Kaisi hai ye aawargi  
Tu jaa raha hai aye dil kahaan  
Jis raah ka musafir hai tu  
Uss raah ki koi manzil kahaan  
Ho ho khwaabo khayaalo ki duniya thi woh

Jis mein milaa thaa woh meherbaan  
Kaisi hai ye aawargi  
Tu jaa raha hai aye dil kahaan.
