

Baadalon ke sehare pe  
Lehraati hai aanchal woh kabhi  
Chanda sharmaaye chhup  
Jaaye ruk jaaye aise woh kahin  
Banaake deewaana kuchh  
Tum kuchh woh kuchh jamaana  
Yeh tanhaayi hai kaisi rut aayi hai  
Juda ho jaau ain abhi sanam harjaayi hai  
Gumsum rehati hai yeh, tanaha rehati hai  
Saat rang dhalake apana rang badalati hai  
Dharati nadiya khula aasmaan

Ajab yeh afsaana,  
Kise kya batlaana  
Samajh na aaye toh  
Diyon bas itana kar jaana  
Har ek dil mein rehati hai  
Aisi armaan koyi  
Aise pal bhi aa kuchh  
Deke leke jaaye soche na kabhi  
Jara woh sun ja na,  
Duniya phir aaj chali hai kahaan

Kaun hai kahaan hai  
Bhai yeh kisko hai padi  
O yeh jamaana kaisa aajmaana,  
Kuchh bhi banaake daastan

Se paar huwa hai, dil se yaar huwa  
Samajhake pyaar jise yeh dil bejaar huwa  
Ik pal khilati hai, phir murjhaati hai  
Kaun jaane karke aisa kya dikhalaati hai  
Dharati nadiya khula aasmaan

Lehraake dil behala le ja,  
Hasana toh hai  
Ek bahane se bhadke to

Yeh duniya khush nahi  
Samajh ke samjhaana  
Kuchh tum, kuchh woh,  
Kuchh jamaana.
