Sarugaana vaasam neeyaa..  
Azhagae..aaah....

Kai veesum kaatrae engirunthai  
Yaedho nee solla yengugiraai

Kaatralaiya ninaivalaiya  
Nee enbathu yaaradhu  
Kan simittum matchathiram  
Kan kalangi minnudhu

Chinna chinna vennila  
Sithari pona minnala  
Sogam kannila  
Neeyum indha mannila  
Nindru pona thendrala  
Kaayam nenjila

Kai veesum kaatrae engirunthai  
Yaedho nee solla yengugiraai

Vaarthai illa kavithai unnai  
Yaar kizhithu pottadhu  
Vandhadhu yen paarthadhu yen  
En idhayam kettadhu

Enna solla ennudho  
Thandhai thaayai thedutho  
Valigal koodutho...  
Vaasam tholaitha mullaiya  
Vaazhkkai unakku illaiya
