

Tu meri zindagi hai jine ki har khushi hai
Tere har khwab ko sajane main sajane aaya
Tu meri aashqi hai dil ki diwaanagi hai

Duri jo darmiya mitaane main mitaane aaya
Hey doli sajaunga tujhko bithaunga
Le jaaunga aaj main
Kal kissne dekha hai kal kissne dekha
Kal kissne dekha hai kal kissne dekha

Main aahein bharta hoon
Jita hoon marata hoon
Teri nigaho ka nishana hoon
Tera hi hona hia tujhame hi khona hai
Teri adaa ka diwaana hoon
Sabko dikhaaunga wada nibhaaunga
Le jaaunga aaj main
Kal kissne dekha hai kal kissne dekha
Kal kissne dekha hai kal kissne dekha

Masti ki raate hain masti ki baate hain
Aaj ghadi ko ji le ji bhar ke
Yeh pal na khona hai hoga jo hona hai
Duniya mein jina kya bhala darr ke
Naachunga gaaunga sabko nachaunga
Le jaaunga aaj main
Kal kissne dekha hai kal kissne dekha
Kal kissne dekha hai kal kissne dekha.
