

Kal raat usane kal raat usane sapane mein mujhako chheda, kal raat usane  
Kabhi iss karwat, kabhi uss karwat  
Deewaana raha kabhi tan se lipat kabhi mann se lipat haan  
Haan kal raat usane sapane mein mujhako chheda, kal raat usane

Bada deewaana hai woh toh prem ke raag sunaaye  
Bada deewaana hai woh toh prem ke raag sunaaye  
Mori gori chunar, mohe lagata hai darr kahin maili na ho jaaye  
Mohe paas bulaaye, main na jaau khud aaye  
Use laaj na aaye mohe ang lagaaye, phir saare dip bujhaaye  
Darake boli o hamjoli kal ka waada bilkul pakaa  
Woh muskuraata raha, kabhi aise palat, kabhi waise palat  
Deewaana raha kabhi tan se lipat kabhi mann se lipat haan

Haan kal raat usane sapane mein mujhako chheda, kal raat usane

Bada natkhat hai woh ban gaya re krishn kanhaayi  
Bada natkhat hai woh ban gaya re krishn kanhaayi  
Main jamuna mein nahaane gayi aur usane chaal chalaayi  
Meri saari churaayi, meri angiya churaayi  
Main baiyaan padi, maine binati kari, nahi maana re raam duhaayi  
Bola raadha sangam hoga, main kya kehati waada jo tha  
Main sharmaati rahi, kabhi aise simat, kabhi waise simat  
Deewaana raha kabhi tan se lipat kabhi mann se lipat haan  
Haan kal raat usane sapane mein mujhako chheda, kal raat usane.
