Thottaa sevakanum

Nalla manakanum

Poosi vidu sandhanam

Ach ach ach ach achoo vekkatha paaru eh

Inaki rathiri yekkatha pootika naalaki jooru eh

Kalakalapa.... Medhamedhapa

Miga sirappa poganum poganume

Namma sanam nallatha nenachu

Pattaasa sirichu unnaye nenachu

Otthumaya vandhirkuunakena ninniruku

Manjalila kulicha

Mugatha paakanume paakanume

Adi katti vellam

Unna kandaa ullam engum

Vellam pongum

Indha kacheri kummaalam nikkaadhu maane

Vidigira varayila kondaadu

Pandhiyila

Modha vandha mundhikalam

Moyyavechu

Morapadi senjikalam

Sondha bandham sandhikalam

Ooru motham oththa katta

Vaarum thedi

Adi muthazhagu rathiname

Ooru mechum sithirame

Adi balama
