

Kalalo Kooda Song Lyrics

Ne kalalo kooda anukoledhe
Manasu isthavani
Naa kannula ninda
Rangu rangula kalau testhavani

Nee kaali muvvalu chese sadi
Vintu gadipestaane

Asalinko janma vundo led
Manaki endukule
Prathi rojoka janma anukuntune
Preminchukundaame

Asalinko janma vundo led
Manaki endukule
Prathi rojoka janma anukuntune

Naa madhi tarapuna
Ney chebuthunna
Vadalanu vadalanu
Ninnepudu

Evarevarevaro emanukunna
Okariki okaram manamipudu

Nuvvu naa oopire
Brathikedela vadilithe
Gundelo vecchaga
Daachanu kada andhuke

Naa kalla mundu
Nuvvu leni nimishamaina
Adhorakam digulu

Mana madhyaki doore
Gaaliki kooda
Gaaladanivvodhe

Mana allari chuste nidharakaina
Niddhara pattodhe.
