Anichamae agi oodala
Theeraa theeraa thedala
Ohh alavilla en iniya modhale
Unnodu vaazhven naanae naanae

Neeyum naanum pesaa neram

Nooli aadum bommai polae
Vaazhkkai thanae
Mel arulaai azhagaai asaikkum viraalai
Kaadhal thaanae

Sindhoori nee sindhaamani
Sillaagi ponaalum yaavum neeye
Kallaazhi nee kannin mani
Kal meedhum poo pookum pul vetkai neeye

Vaanam nammala vaazha solludhu

Kallaa nikkiriye kallaa nikkiriye
Oorum solludhu aarum solludhu
Vaadi sundhariye

En kanneril soll aaduven
Nee ketkaamal ponaalum naan paaduven
Un vinmeenai thaalattuven

Nee maaramal ponaalum naan maaruven
Un kobangal naan thaanguven
